LET US BUILD YOUR DREAM STUDIO - NOT JUST A SHED!

At ELIKYA Studio, we specialize in creating custom-built, detached ADU structures that seamlessly blend functionality with elegance. Whether you need a dedicated home office, a creative haven, a private training hub, or a soundproof acoustic space, our modular studios offer the perfect solution. With sizes ranging from 121 to 256 square feet, our four designs offer customizable options, ensuring that each space perfectly caters to your individual needs.
